REQUEST FOR PROPOSALS TO OPERATE & MAINTAIN, AND PROVIDE ENGINEERING, ADMINISTRATION AND BILLING SERVICES FOR A WATER SYSTEM WITHIN THE CITY OF DIXON

The City of Dixon (CITY) is pursuing contract services to operate and maintain, and provide engineering, administration and billing services for the existing water system within the current Dixon Solano Water Authority boundaries in the City of Dixon. The purpose of the Request for Proposals (RFP) is to allow the City of Dixon to transition from a Joint Powers Authority with Solano Irrigation District to a system wholly operated under the management by the City of Dixon.

Proposals shall be submitted by firms that have a capable and demonstrable background in the type of work described in Section VII, "SCOPE OF SERVICES," of the RFP. In addition, all interested firms shall have sufficient, readily available resources in the form of trained personnel, support services, specialized consultants and financial resources to carry out the work without delay or shortcomings. The proposals shall be submitted to the City Engineer/ Public Works Department, 171 South Fifth Street, Dixon, California, 95620, no later than **5:00 p.m. on July 1, 2013.**

This Request for Proposals and related documents are available on the City website at http://www.ci.dixon.ca.us/bids.aspx.

All questions regarding this RFP should be directed to Chris Gioia, Associate Civil Engineer via electronic mail at cgioia@ci.dixon.ca.us.
